*As always, the AVS Group team exceeded my expectations — I enjoy working with them. We try to include AVS Group in our corporate events every chance we get; having them at our conferences makes our meeting planners' jobs much more manageable. I appreciate what they bring to our events and would recommend them to others."*

Gary Metzig, Global Manager—Meeting Services, Ingersoll Rand

## Why AVS Group Event Services?

AVS Group was started in 1989 and has been providing best-in-class, professional event production services for a wide range of customers ever since. We are a full-service creative and technical event production company serving mid-size to large corporate organizations, international and national associations, and nonprofits.
